**Support Martin's Annual No Fuss Fundraiser
Help us reach our goal of \$30,000.**

We are excited to bring you our No Fuss Fundraiser.

We do not ask you to sell wrapping paper or magazines door to door! It is a simple donation program where 100% of the funds will be used at Martin to support programs and teachers, benefiting every child at Martin! These funds are used for technology support and hardware, media center books, mini-grants, character education receptions, parent communications, cultural arts programs, teacher supply money, and other programs that enrich the quality of education at Martin.

We know times are tough but with 1,100 students at Martin we only need \$30 per student to make our goal. Those of you able to donate more than this will help support those that cannot. If we do not meet our goal in the Fall, we will have an additional fundraiser involving product in the Spring.
